

Version 3 dated 02/01/2008

Invitation card for community group volunteers to use

Invitation Card

to take part in the study titled

End of Life care Perspectives of older South Asians

School Of Nursing

Dear

On behalf of the researchers from the University of Nottingham, as a volunteer/staff at (name of the community group), I invite you to participate in the study which aim to collect views about end of life care from older South Asians.

More detailed information about this research and what it would involve for you is given in the "Participant information sheet". Please take the time to read through the information sheet carefully. You are welcome to ask me further information regarding this study; you can contact me directly or the researcher as the contact details given above.

If you agree to take part in this study, please complete the back of this card and return to the (Name of the community group). I will contact you with one of the researcher as soon as possible.

Yours Sincerely
