DECLARATION

I hereby declare that this thesis has been composed by myself and has not been submitted for any other degree, in Nottingham or elsewhere. The work presented herein is my own, and all work of other authors is duly acknowledged. I also acknowledge the assistance given to me during the design and execution of the experiments contained in this thesis and during its preparation.

Jennifer Rose Wills

In loving memory of my Grandfather

Ronald Puckering

1928-2010

I know he would have been so proud
