Questionnaire for dissertation.

Thank you in advance for considering completing this questionnaire. Your opinions are very important.

1. Which type of nursing course are you studying?

▼ Diploma ▼ BSc ▼ MNurSci

2. What year of your training are you currently in?

▼ Year 2 ▼ Year 3 ▼ Year 4

3. Which branch of nursing are you studying?

▼ Adult ▼ Child ▼ Mental Health ▼ Learning disability

4. On a scale of 1 to 10, before starting your nursing course, how confident did you feel with your basic life support (BLS) skills?

1 2 3 4 5 6 7 8 9 10

Not at all confident

Completely confident

5a. Have you undertaken any basic life support (BLS) training outside of your nursing course i.e. first aid training?

▼ Yes ▼ No

5b. If yes, who conducted the training, when did you take it, what did it involve?

6a. Have you undertaken any cardiopulmonary resuscitation (CPR) training outside of your nursing course i.e. first aid training

▼ Yes ▼ No

6b. If yes, who conducted the training, when did you take it, what did it involve?

7. Thinking about your confidence in your BLS skills, has this training outside of your nursing course made you feel:

▼ A lot more confident ▼ More confident ▼ The same ▼ Less confident ▼ A lot less confident

8. Have you ever been involved in a resuscitation attempt?

▼ Yes ▼ No

9. On how many occasions have you been involved in a resuscitation attempt?

▼ Once ▼ On 2 – 5 occasions ▼ On more than 5 occasions

10. Was this attempt....

▼ In a hospital ▼ Outside a hospital

11. Thinking about your confidence in your BLS skills, has this personal experience of resuscitation made you feel:

▼ A lot more confident ▼ More confident ▼ The same ▼ Less confident ▼ A lot less confident

12. When did you last receive BLS training as part of your nursing course?

13. Thinking about your confidence in your BLS skills, has the training you have received as part of your nursing course made you feel:

▼ A lot more confident ▼ More confident ▼ The same ▼ Less confident ▼ A lot less confident

14. How often would you like basic life support training as part of your course?

▼ Once a year ▼ Every 6 months ▼ Every 3 months ▼ Other (*please state*)

15. Thinking about your confidence in your BLS skills, do you feel an increase in the number of times a year you practiced BLS as part of your course would make you feel:

▼ A lot more confident ▼ More confident ▼ The same ▼ Less confident ▼ A lot less confident

16. How would you like this training to be provided?

▼ Lecture style teaching ▼ Practical demonstration and practice

▼ Peer tutoring (being taught by another student) ▼ A computer aided learning (CAL) package

▼ Self instruction DVD ▼ A mix of the above (*please state*): ▼ Other (*please state*):

17. On a scale of 1 to 10, at this point in your nursing course, how confident did you feel with your basic life support (BLS) skills?

1 2 3 4 5 6 7 8 9 10

Not at all confident

Completely confident

Once again thank you for taking time to complete this questionnaire; I could not complete my research without you.
